Dear friend,

The enclosed resolution was adopted by the National Convention of railwaymen held at New Delhi on February 27, 1974. The Convention was attended by over 2000 delegates from about 100 unions and associations of railwaymen.

The resolution is self-explanatory. I do not have to emphasise that should a settlement on the demands of railwaymen as outlined in the resolution of the Convention fail to emerge by April 10, 1974, a general strike of 20,00,000 railwaymen would become inevitable from any day thereafter.

Needless to say, we want to avert the strike and arrive at an amicable settlement on the demands. Unfortunately, the Railway Ministry has been unhelpful in this matter, and has refused to negotiate on these demands even though they were first forwarded to the Railway Board by the All India Railwaymen's Federation on November 8, 1973.

I am now requesting you to use your influence with the Government to persuade the Railway Ministry to open talks with us on the demands contained in the resolution.

With regards,

Yours sincerely,

George Fernandes
Convener
National Coordination Committee for Railwaymen's struggle.

May I request you to take the necessary steps to bring about a settlement on the demands contained in the resolution? Please note that failure in this regard will mean an indefinite general strike on the railways which we are keen to avoid.

SECRETARY GENERAL (ORG.)
Dear Com. Bhangoo,

This is to acknowledge your letter of 10th March, 1974.

I don't think it is necessary to convene a meeting of the Action Committee of the Railwaymen to discuss the matters relating to the Convention of the Central Govt. Employees. We would call such a meeting after their convention, should it be felt necessary.

With greetings,

Yours Fraternally,

George Fernandes
Convener

Shri M.C. Bhangoo
Secretary General
All India Railway Employees Confederation,
43/12, Railway Colony,
Kishen Ganj,
Delhi-7.
Com. George Fernandes,
Convener,
National Coordination Committee of Rly. Men's struggle.

Dear Comrade,

It is reliably learnt that you had called a meeting of the leaders of different Central Govt. Organisations including National Coordination Committee of Railwaymen on 8th March, 1974 in your AIRE Office. It is stated to be in connection with some proposed convention of All Central Govt. Employees for joint struggle.

It is understood that the National Coordination Committee of Railwaymen's struggle was in the invitation letter. As the Coordination Committee cannot be summoned at such short notice, the 13 members action committee was the appropriate body to be called in and consulted for such moves and actions. That has not been done and I don't know who represented the coordination committee in that meeting. However, it is my humble suggestion that to build up real coordination among different organisations in the Railways for a joint struggle all must be taken into confidence for any such moves, otherwise our all efforts to achieve unity by forming these committees will be quite meaningless.

It will be appreciated if you call an immediate meeting of the action committee at Delhi to discuss these issues and put the committee in action for the coming struggle.

With kind regards,

Yours fraternally,

(N.S. Bhangoo)
